This is a huge week when it comes to real news and information. The anniversary of the events of 9/11 always piques interest on the Internet. My recent articles on 9/11 are directed at people who would not ordinarily visit our site. While many sites have republished these articles the majority of people who really need a a wake-up call to reality will never see them.

I ask you all to take a few minutes to be a journalist today. I ask you to take a few minutes to help inform your fellow human beings that the real world is not on TV. Help share vital news and information with them today!

Take a few minutes to help TvNewsLIES.org reach a wider audience. If you would be so kind as to take any or all of the following steps you would be helping us out greatly.

- Friend me on Facebook http://www.facebook.com/profile.php?id=1461602476
- Like our Facebook page http://www.facebook.com/pages/TvNewsLIESorg/65774069400?ref=ts
- Share the following articles on as many social networking sites as you can. The easy way to do this is by clicking the desired sharing icon located on the lower right side of every article. Look for the text that says SUBMIT THIS PAGE. You can find icons for Facebook, Reddit, StumbleUpon, etc. Please share these two articles with the networks on which you already subscribe, escpecially Facebook.
- Why You Can NOT Believe the "9/11 Conspiracy Theory De-bunkers!"
- You Only Believe the Official 9/11 Story Because You Don't Know the Official 9/11 Story

- And if you feel that our site is in general is of value, please share it with social networks as well. You can find the SUBMIT THIS PAGE box on the front page as well.

Thank you all for your support. It is not easy to speak the truth to a world that does not really want to hear it. Once in a while I need a little help. Thank you in advance for helping me to share some vital news and information with others.

A humbled Jesse Richard - Founder, TvNewsLIES.org
