I, (Print your name) \_\_\_\_\_, do solemnly swear unwavering loyalty to the men in power who planned and orchestrated the war against Iraq. I will never question whether or not Iraq was a threat to the United States, or whether the invasion and occupation of Iraq were carried out under false pretenses. I believe so strongly in the veracity of the claims made by my elected officials and their PNAC advisors that I will gladly risk life and limb to carry out their plans for domination of Iraq and any other nation in the region in need of a pre-emptive or preventive action.
