TVNL Comment: This is a total farce. After four years in captivity and six months of torture including water boarding, Khalid Sheikh Mohammed confessed to masterminding the September 11th attacks, the Richard Reid shoe bombing attempt to blow up an airliner over the Atlantic Ocean, the Bali nightclub bombing in Indonesia, the 1993 World Trade Center bombing and a host of other foiled attacks. He probably would have confessed to the assassination of Abraham Lincoln as well, given enough torture. So would you.
