Folks,

PLEASE help me in my quest to educate the public about the very real and very dangerous problem of media deception.

I am not asking for much. **All I ask is that you take a few minutes today and help me share this video commentary with as many people as you can:**

[VIDEO: America's Worst Enemy: The Mainstream Media - An Explanation, A Challenge & A Solution](http://tvnewslies.org/tvnl/index.php/editorial/jesse-richards-commentary/7919-video-americas-worst-enemy-the-mainstream-media-an-explanation-a-challenge-a-a-solution.html)

Please take a few minutes today to do the following.

- E-mail the url to webmaster@rense.com and ask them to post it. They get a ton of traffic and could help spread the word.
- E-mail the url to all your friends.
- E-mail the url to all blogs, news sites and webmasters that may consider posting it.
- If you use Stumble Upon, Redit, Fark, Digg, or any of the social networking systems, please submit the url for us.
- If you post in forums or news groups please post there as well.

PLEASE take a few minutes today and help us to make our world a better place. I rarely ask anyone to help me. But today I ask you for a few minutes of your time to help me help our fellow citizens of the world.

If you appreciate the effort I have put in to TvNewsLIES.org, please consider showing your appreciation by spending a few minutes helping me spread the word about media deception.

Thank you all for your time and thank you for the many kind letters and calls. I can not tell you how much they mean to me. Even so, it would mean more to me if you help me this one time.

Thank you sincerely,
Jesse
