

Join TvNewsLIES host Jesse Richard as his special guest, investigative reporter and intelligence insider Wayne Madsen, brings us up to date about the latest efforts by the NSA to silence leaks related to government involvement in the events of 9/11/2001. Mr. Madsen will also tell us what intelligence insiders have to say about the Obama birth certificate scandal.

Get ready for some bombshells...and a few surprises as well.

As usual your calls are welcome.
