

The following questions, some multi-part - and most totally ignored by the 9/11 Commission - are just the tip of the immense 9/11 iceberg. A hat tip goes to the indefatigable work of 911truth.org; whatreallyhappened.com; architects and engineers for 9/11 truth; the Italian documentary Zero: an investigation into 9/11; and Asia Times Online readers' e-mails.

None of these questions has been convincingly answered - according to the official narrative. It's up to US civil society to keep up the pressure. Eight years after the fact, one fundamental conclusion is imperative. The official narrative edifice of 9/11 is simply not acceptable.
