

It means that there is proof (which so far no one has attempted to refute) that the WTC buildings (and more than three thousand lives, counting the ongoing deaths of first responders and ordinary NYC citizens caused by the dust) were brought down by controlled demolition in a planned and purposeful manner by elements of the Bush Administration, most likely as a 'catalyzing event', the new Pearl Harbor' fondly mentioned by neo-con PNAC (Plan for the New American Century) and designed to galvanize American citizens in support of attacking other nations and restricting human rights at home. 'Full Specter Domination'.
