

ABC News' Rick Klein reports: House Speaker Nancy Pelosi was briefed on the use of "enhanced interrogation techniques" on terrorist suspect Abu Zubaydah in September 2002, according to a report prepared by the Director of National Intelligence's office and obtained by ABC News.

The report, submitted to the Senate Intelligence Committee and other Capitol Hill officials Wednesday, appears to contradict Pelosi's statement last month that she was never told about the use of waterboarding or other special interrogation tactics.
