

Haven't you been disrespected, marginalized, misdirected, demeaned, disregarded, ignored, insulted, bullshitted, deliberately misinformed, uninformed, manipulated, controlled, cheated, lied to, poisoned, killed...and generally just plain old screwed for long enough? I'm really starting to wonder about you. Why isn't all that enough for you America? Yoo Hoo! Are you in there?

As the late great Bill Hicks said, "Entertainment is a weapon." Your "news" is controlled and manufactured. Your comedians are the journalists. You and your children are stupefied and zombified by television. Movies, cars, sports and fashion, and Hallmark holidays; they take your attention and your resources. You are in debt up to your ears. Isn't that enough for you, America?
