

Ezra Pound was right, jailed & locked away
for broadcasting truth from Italy during WWII.
The Republicans were & still are waiters to the Bankers.
Rapallo was certainly better than hell of confinement
in perpetual Nat'l Security State.
The financier's of Hitler's genocide machine
Henry Ford, & Prescott Bush, were never hanged or tried
at Nuremburg for war crimes.

60 years later, Nat'l Security State continues in 2009.
Endless war for peace is lunacy, totalitarian scheme of
global control conglomerate.

Both Republicans & Democrats, are now waiters to the bankers.
Each stealing from the poor to give to United Socialist Corporate States of America.
