

Our nation's police forces prior to the criminal thug Richard Nixon were centered on community policing. MOST of their time was spent on looking for, identifying, and monitoring criminals, and responding to unusual or dangerous events that were beyond the control of ordinary folks. We appreciated those officers and were proud to say, "he is OUR Cop!" We knew that we could talk to him, kid him, see him play adult softball, and sit across from him in church.

Now we have become eaves-dropping, roadblock setting, door crashing, face grinding, arm breaking, pursuit driven bastards that have sold their asses to the government masters hell bent on establishing the TRUE reincarnation of the dreaded SS. That is NO overstatement. Note: There are significant numbers of officers at all levels that simply detest the forced training at FEMA centers, the requirements to stop Patriots and others simply because they "look" dangerous, and are exercising free speech statements on their vehicles. By whose ultimate authority does this take place? By whose ultimate judgment is it that it is necessary to harass INNOCENT drivers and families?
