

In photos: Thousands participate in People's Climate March

Sunday, 30 April 2017 11:15 -

Around 150,000 people attended the People's Climate March on the White House on April 29, 2017 -- President Donald Trump's 100th day in office -- in support of political action to combat climate change.

Several thousand people also marched near Los Angeles and in other cities nationwide.
