

Ex-detainees allege Bagram abuse: VIDEO

Wednesday, 24 June 2009 19:53 -

Allegations of abuse and neglect at a US detention facility in Afghanistan have been uncovered by the BBC.

A number of former detainees have alleged they were beaten, deprived of sleep and threatened with dogs at the Bagram military base. The BBC spoke to 27 ex-inmates around the country over two months. Just two said they had been treated well.
