

The Israeli newspaper Haaretz mysteriously removed from its website an article exposing atrocious Israeli racism against black people just hours after it was published.

Video taken at the rally and posted on YouTube by Sheen, shows some of the vile racism, including by Knesset member Michael Ben-Ari.

Protesters can be heard chanting such slogans as, “Sudanese to Sudan, Tel Aviv is for Jews” and “Their place is in Sudan, not here. This is a Jewish state!”
