

It's a universally acknowledged fact these days that Fox News is doing a rotten job covering the health care debate. But what about the liberal media? By constantly harping on the craziest of the crazy protesters to set them on a tee and whack their crazy lies with a three wood, maybe they're not helping to make the fundamental point, which is that crazy sideshow fanatics don't deserve to take up the bulk of every cable news hour.

[More...](#)

**TVNL Comment:** There IS no cable news hour. It is always infotainment, never news.
