

Do you write articles giving the truth about the Israeli/Palestinian conflict? Do you have a Blog known for its anti zionist viewpoints? Have you been getting extra 'visitors' to your Blog who leave negative comments or participate in polls?

If yes to any of the above, there is a good reason for all of this....it's a project called Megaphone Israel. It is a new desktop tool that alerts its subscribers to any entries that might be anti Israel or anti zionist.

After notification, the 'warriors' jump into action and attack the source of the article.
