

## **Minot base crew commander found dead**

Monday, 02 February 2009 16:41 -

---

The body of a missile combat crew commander from the Minot Air Force Base was found by police, and the cause of his death is under investigation, the Air Force says.

A statement issued by the base Sunday said the body of Capt. Jonathan Bayless, 28, was found Friday night. Police did not give details but said it was in an area north of the city soccer complex, and they are awaiting autopsy results.
