

President Donald Trump's behavior and comments have long led political opponents to question his mental health, but now, the accusation that he is unhinged is coming from more than the usual liberal suspects in the past few weeks.

Prominent conservative pundits – from former Fox News hosts Megyn Kelly and Tucker Carlson to conspiracy theorist Alex Jones and podcaster Candace Owens – are suggesting the president is unwell.

"I really think that his mental capacity needs to be examined," Marjorie Taylor Greene said on an April 15 appearance on CNN International.

The former Republican congresswoman from Georgia said she's been "shocked and horrified" at the president's recent rhetoric, such as his warning that "a whole civilization will die" and Iranians will be "living in Hell" if his demands aren't met.
