

U.S. soldiers play 'video prank' on Iraqi motorist - by planting a LIVE grenade in his car

Tuesday, 07 September 2010 09:52 -

The description that runs next to the video reads: 'This is my partner and I working at a Traffic control point in Iraq.'

'We decided to scare one of the locals a bit by placing a grenade in his trunk while he wasn't looking.'

'This was all in fun and never in any intent to harm anyone.'
