UN report accuses Israel of using human shields
Tuesday, 24 March 2009 12:07 -

Israeli soldiers used an 11-year-old Palestinian boy as a human shield during the war against Hamas in the Gaza Strip, UN human rights experts said Monday.

The IDF ordered the boy to walk in front of soldiers being fired on in the Gaza neighborhood of Tel al-Hawa and enter buildings before them, said the UN secretary-general's envoy for protecting children in armed conflict.
