

"My Own Votes, Four of Them, Were Flipped Yesterday Before My Very Eyes"

Thursday, 05 June 2008 10:40 -

The ES&S electronic voting system that I used to try to vote on yesterday, ended up flipping a total of 4 out of the 12 contests and initiatives for which I had attempted to vote.

Right before my very eyes, the computer-printed ballot produced by the voting system I was using, incorrectly filled in bubbles for four of the races I was voting in. Had I not been incredibly careful, after the ballot was printed out, to painstakingly compare what was printed to what I actually voted for, I'd have never known my votes were being given to candidates I did not vote for.
